REF: GDC/MSD/005/22-23/dk-fk

TO: ALL BIDDERS

Dear Sir,

ADDENDUM 3: CLARIFICATION

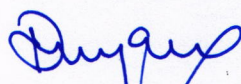

RE: REQUEST FOR CLARIFICATION - TENDER FOR THE SUPPLY AND DELIVERY OF CEMENTING ACCESSORIES FOR BARINGO SILALI GEOTHERMAL PROJECT - REFERENCE NO. GDC/DO/OT/009/2022:2023.

In response to bidder's request for clarification, GDC wishes to provide the following response.

S.N	BIDDER'S REQUEST	GDC'S RESPONSE
1.	According to Section III - Evaluation and Qualification Criteria, Evaluation of Technical aspects of the Tender, the tender requires that we provide evidence that we have satisfactorily and substantially completed at least three (3) contract (s) of a similar nature either within Kenya, the East African community or abroad, as a prime supplier or a joint venture each with a minimum value of the quoted goods. However, we would like to request that this technical requirement be removed, as the international suppliers are neither willing to share this information nor bid directly due to the technicalities of the tendering process. Therefore, this requirement hinders local companies from quoting for the said accessories in the tender, even if they have experience and evidence based on satisfactory completed contracts of similar magnitude and amount. Kindly advise.	The tender requires that the tenderer provides evidence that it has satisfactorily and substantially completed at least three (3) contract (s) of a similar nature either within Kenya, the East African community, or abroad, as a prime supplier or a joint venture each with a minimum value of the quoted goods. This requirement still stands.

NB: All other instructions remain unchanged.

Yours faithfully,

DORIS KYAKA
