In response to bidder's request for clarification, GDC wishes to provide the following response.

S.N	BIDDER'S REQUEST	GDC'S RESPONSE
1.	There is still some conflicting specification. 1. Specification states pin Dia. as 110m for both Item No. 1 & 2, but drawing still shows 110mm for Item No. 1 and 100mm for Item No.2. 2. Specification states one end OSS and other end CSS. But drawing shows both ends with OSS	We respond as follows: 1. Specifications are as per the drawing. 2. Specifications are that both ends have OSS as per the drawings in Addendum 3

NB: All other instructions remain unchanged.

Yours faithfully,
