12th July, 2023.

Dear Sir/Madam,

ADDENDUM ONE (1) – CLARIFICATION

RE: TENDER SUPPLY & DELIVERY OF SPECIALIZED MUD & CEMENT ADDITIVES FOR BARINGO SILALI GEOTHERMAL PROJECT - TENDER NO: GDC/DEM/OT/076/2022:2023

In response to bidders request for clarification, GDC wishes to respond as follows;

No:	Tenderer Query	GDC Response
1.	Please clarify if the tenderer can use the manufacturer's experience to support his experience since there is a manufacturer's authorization letter that shows the relationship between the tenderer and the manufacturer hence eliminating the need for a joint venture agreement between the tenderer and manufacturer	The tenderer may provide evidence from the manufacturer who has provided the manufacturer authorization as well as evidence the tenderer has supplied similar goods
2.	We refer to the above bid we are participating in and we seek a clarification on the quantity required. E.g. 1. Easy Drill Polymer-Packed in 18litre cans – 100cans Does it mean you need 100cans of 18litres and same applies to Telpolymer HG – 20kg	It means 100cans of 18 litre each

All other instructions/requirements including the closing date of **14th July 2023 at 11:00AM** remain unchanged.

Yours faithfully,

DORIS KYAKA
MANAGER, SUPPLY CHAIN
