No.	Tenderer Query	GDC Response
1.	In the technical evaluation requirement no.5, the tenderer is required to attach professional indemnity cover. Having consulted our insurance, we are advised that cleaning firms do not qualify for professional indemnity cover since they do not discharge professional duties, instead cleaning firms require contractual liability cover. Kindly clarify this requirement	The criteria/requirement remain as indicated/stated in the tender document.
2.	We write in request to attach receipts of various certificates needed since the 2023 renewals for certificates are not yet issued	The criteria/requirement remain as indicated/stated in the tender document.
3.	We are seeking clarification under Preliminary/Mandatory Evaluation Requirements/Criteria – Item No 24, 25, and 26. Is it possible to give a letter of commitment certified by an advocate that if and when we win this Tender, we will process all the certificates under item no. 24, 25 & 26. Reason being that in case	The criteria/requirement remain as indicated/stated in the tender document.

we are not the successful tenderer this will be resources that will have been used yet we don't many companies do not have any other cleaning jobs in areas such as Menengai and Baringo
