

REF: GDC/MS/SC/005/18-19/dk

21st January 2019

TO: ALL BIDDERS

Dear Sir/Madam,

ADDENDUM 1: (A) CLARIFICATIONS

RE: TENDER FOR SUPPLY & DELIVERY OF TOOL JOINT THREAD COMPOUND.
TENDER NO: GDC/DO/OT/028/18-19

Pursuant to Clause 2.5 & 2.6 of the tender document and in response to bidder's request for clarifications, GDC wishes to provide the following clarification and amendment;

BIDDERS QUESTION	GDC RESPONSE
<p>A. Section VI - Price Schedule (pg. 44 of 54)</p> <p>Q1. You have inserted certain brands for Items II to f3 (i.e. Jet Lube 21. Run N Seal Extreme and Baker Seal).</p> <p>CI. Please confirm if we can quote for Equivalent Tool Joint Thread Compound products as you have not stated any particular brands in Section V - Technical Specifications (pg. 42/34).</p>	<p>The Price schedule in page 44, Section VI of the tender document is hereby amended as per the table below.</p> <p>There are no brand names and bidders are advised to quote for equivalent that confirm to all GDC specifications shown in Section V of the tender document.</p>
<p>B-Section VI - Price Schedule (pg. 44 of 54)</p> <p>Q2. Item #3 is listed as Special Duty Thread Compound (Baker Seal). <u>This is a repeat of Item #2!</u></p> <p>C2. Item #3 should be <u>Thread Locking Compound</u> (as per Section V - Technical Specifications) - e.g. Baker Lok or Equivalent product.</p>	<p>The corrected and amended Price Schedule in Section VI is per the table below.</p>
<p>C-Section V - Technical Specifications - PACKING (PAIL WEIGHTS) - pg. 41 to 42 of 54</p> <p>If it is deemed more cost effective (shipping) the Supplier is requesting to package in pail sizes that will make shipping Cost Effective by;</p>	<p>The pail sizes indicated are the standards in the market. By considering where the products will be used, GDC will not allow significant variation in the pail weights from what has been indicated in the tender documents</p>

<p>- using industry standard Pail Sizes that will allow maximum consolidation of consignment.</p> <p>The total weight of product requested will not be compromised by pail sizing. The pail weights proposed may be slightly smaller or bigger than requested by GDC but will nonetheless be industry standard.</p>	
<p>D-Section VI - Price Schedule (pg. 44 of 54)</p> <p>Q1. You have indicated delivery to GDC Menengai Store (i.e. Incoterm DDP). However, you have not indicated freight and duties/applicable taxes (besides 16% VAT).</p> <p>Cl. Please confirm if we can add these costs which will be rolled up into Grand TOTAL in Price Schedule.</p>	<p>The prices quoted should include all costs, applicable taxes, duties, transport and delivery costs to Menengai stores in Nakuru.</p>
