

30th January 2019

REF: GDC/MS/005/18-19/dk

TO: ALL BIDDERS

Dear Sirs,

ADDENDUM 2: CLARIFICATION

RE: TENDER FOR SUPPLY & INSTALLATION OF E-BOARD MANAGEMENT SYSTEM
- TENDER NO. GDC/BSSI/OT/024/2018-2019

In response to bidder's request for clarification, GDC wishes to respond as follows;

Bidders Question 1

Why is Contract Management system part of the E-Board Management System given that Contract Management is a standard module in any ERP or financial management solution?

GDC response:

We require a Contract Management system embedded on the E-Board Management System for use in the Company Secretary's office, who will be a user of the E-Board management system.

Bidders Question 2

Why is Compliance Management part of the E-Board Management System as it's a bigger system than the board system?

GDC response:

Compliance Management is a big part of the Company Secretary's role and therefore has to be incorporated in the E-Board Management System.

Bidders Question 3

Why video conferencing included in the E-Board Management System since top systems in the world does not offer audio/video conferencing?

GDC response:

Video conferencing will enable the Board of Directors to hold virtual meetings by video or conference call as stipulated in Mwongozo, The Code of Governance for State Corporations.

Bidders Question 4

GDC mentions (point 2(b) infrastructure security) that data center should be compliant with SSAE 16 SOC 2. Why only data center? What about SaaS solutions?

GDC response:

Saas solutions are also housed in a data center. We strongly urge the tenderers to submit their bids as per the requirements in our tender document.

NB: All other instructions including the closing date of 7th February, 2019 at 2.00PM remain unchanged.

Yours faithfully,

DORIS KYAKA
